ABOUT US

Intellect Infra Solutions is a distinguished HVAC solutions provider with over two decades of proven industry expertise. Headquartered in Tamil Nadu, we deliver end-to-end climate control services encompassing bespoke system design, precision-driven installations, and comprehensive preventive maintenance.

As an authorized partner of globally renowned brands LG and Mitsubishi Electric, we integrate cutting-edge, energy-efficient, and environmentally responsible technologies into every project. Our multidisciplinary team of seasoned professionals craft tailored HVAC solutions for residential, commercial, and industrial environments ensuring optimal performance, sustainability, and enduring client satisfaction.

Vision

To be recognized as a leading provider of green HVAC innovation through world-class efficient and sustainable climate control solutions. We envision every site we support will enjoy the benefits of our technical expertise, purposeful design, and professional commitment to customer satisfaction. We intend to set new benchmarks for HVAC performance by implementing state-of-the-art technologies and encouraging constant improvement in everything we do.

Mission

Our mission is to deliver high-efficient HVAC solutions that meet the specifications of its residential, commercial, and industrial clients. We utilize the advanced technologies from trusted brands such as LG and Mitsubishi Electric, to provide efficiency, sustainability, and value over time. Our focus is on inventive design, careful firm implementation, and proactive maintenance. We invest in developing expertise so we can push the envelope of HVAC excellence.

Product Expertise

- Comfort Air-conditioning
- Variable Refrigerant Flow Systems (VRF)
- Ducted Systems
